Learning Artificial Intelligence**

WHAT WE DO FOR YOU

- We bring understanding & value to the user.
- We take out the complication and confusion of AI.
- We make it simple and easy to use in everyday situations.
- We present the 1960's vibe to make learning fun & entertaining.

WHY CHOOSE US

- We do not allow seniors to feel left behind by fast-changing technology.
- We assist senior participants with online banking.
- We prepare seniors to protect themselves from fraud and potential scams.
- We show everyone involved in our program how to use AI as part of their everyday life.
- The 1960's style resonates with students and creates a very comfortable ambience

WHAT DO PARTICIPANTS GAIN

WE PROVIDE CONFIDENCE IN USING TECHNOLOGY.

WE DELIVER A BETTER UNDERSTANDING OF DIGITAL AND FINANCIAL TOOLS.

WE CREATE AWARENESS OF THE NEED FOR PROTECTION AGAINST FINANCIAL SCAMS.

WE SHOW OUR PARTICIPANTS HOW TO BE MORE INDEPENDENT IN EVERYDAY TASKS.

HEALTH & WELL-BEING

FINANCIAL CONFIDENCE

OUR PROGRAM STRUCTURE

First, we offer a one-hour opening presentation. This is a clear summary of what we propose to deliver.

Second, we offer and deliver to participants a 4-semester senior educational curriculum with a collection of 32 two-hour strategically chosen workshops;

4 Semesters: Health & Well-being, Financial Confidence & Planning, Travel & Independence, Family & Communication

Third, we also offer an optional one-on-one private tutoring program or a less expensive online digital tutoring class for extra educational time in a limited-attendance setting.

Fourth, and most importantly, we support our members with a "GROOVY AI HELPLINE" (24 hours, 7 days a week) to assist our students with any questions or concerns.
